SATORI APPOINTS DIRECTOR

Toronto, Ontario –March 28, 2014 – Satori Resources Inc. (TSXV:BUD) (“Satori” or the “Company”) announces that the TSX Venture Exchange denied the Company’s application for a waiver to temporarily operate with 2 directors until such time as terms of a transaction are finalized. Accordingly, Mr. Walter Henry has agreed to re-join the Company’s board of directors in order to make the Company compliant with the requirement to have a minimum 3 directors.

Mr. Henry is a former director of Satori and of its predecessor, St. Eugene Mining. He has had a long relationship with the Company and has historical knowledge of its operations. Accordingly, we view this addition as a logical appointment during this time of possible transition for the Company. The Directors thank Mr. Henry for stepping on such short notice and welcome his input and guidance.

The TSX Venture Exchange has advised that it will resume trading of the Company’s stock once the appointment has been made and affiliated documentation filed in this regard.

ABOUT SATORI RESOURCES INC.

Satori is a Toronto-based mineral exploration and development company whose primary property is the Tartan Lake Gold Mine Project (100% interest), located in the prolific Flin Flon Greenstone Belt, Manitoba. The Company is currently considering transactions in respect of the Tartan Lake Gold Mine, in addition to evaluating new project opportunities, both within the mining sector and others, particularly as it relates, directly and indirectly, to the medical marijuana sector.
